# OSCE Clinical Skills Intensive

Approx. 1 week

NCLEX-completed candidates

## OVERVIEW

### Exam-ready clinical practice

A focused, high-impact training program for internationally qualified nurses who have completed the NCLEX/MCQ and are preparing for the AHPRA OSCE. Delivered in Australia across all ten NMBA assessment stations using realistic simulation environments that mirror the exam.

Alongside clinical preparation, you complete an Employer Readiness Program to strengthen communication, professional presentation and interview performance.
